### September 2016

### Notes from the Superintendent

It is always a great time of year when we see the kids back in our classrooms. This is when we are reminded about our <u>purpose</u> in all of the work we do here. Student success is our purpose and the driving force of all of our decisions here in the St. John-Hudson school district.

Each year is a bit different than the last, but we always find areas in need of improvement. It is sometimes frustrating when things are not exactly as we want them. Mark Twain reminds us that "continuous improvement is better than delayed perfection." It is this ideal of continuous improvement that helps us have passion for what we do.

Our schools have always had excellent support from parents and community members. The turnout at our annual Tiger <u>Pride</u> Night is evidence of this.

The school district's budget has been approved by the board and submitted to state and county officials. The primary difficulty with this budget is the continued decline in property values. The district's assessed property valuation has decreased by 25% over the past two years.

Reduced property values affect our budget in one of two ways: increased mill levy or a reduction in the expenses. This year, the result is a little of both.

The mill levy is one-tenth of a mill higher than last year's. The mill levy was somewhat held in check because we will receive additional state aid for our reduced property values. The district has also implemented some cost saving measures to get through these difficult budget times.

Nearly 80% of the district's operational cost is tied up in people. So cutting expenses of any significant amount usually requires changes in personnel. For this year, we have eliminated one second grade teaching position and one administrative position. The teaching position was absorbed by combining two classes into one for this year. The administrative position

was absorbed by combining

the superintendent and ele-

mentary principal duties.

To complicate budget matters, state funding of education has remained flat for many years. Over the past six years, operating aid to school districts in Kansas has increased by I%. When you consider that inflation over that same time is nearly 9%, it is easy to see why school districts are forced to cut expenses, raise local property taxes, or do some of both.

This summer, a storm took down one of the light

poles at the football field. After much discussion, the board determined that the best course of action would be to replace all four of the light poles at this time. They are scheduled to be replaced in the coming weeks.

Part of the cost is covered by insurance and the remainder will be paid from our capital outlay budget. This is a significant cost that

we were not anticipating at this time, so it was a difficult decision to move forward. But the system will have a full 25 year warranty and is an investment that will last for many years

beyond that.

While we do not have official figures yet, preliminary enrollment numbers are nearly unchanged from last year. The enrollment for the high school will likely keep our activities at the 2A level for this year. The average class size is 24 in Kindergarten through 12<sup>th</sup> grade. This average has ranged from 23 to 25 over the past 6 years or so.

I'm looking forward to a great school year. As always, if you'd like to visit about any of these topics or have other questions or concerns, I can be reached at 620-549-3564 or <a href="mailto:meyerj@usd350.com">meyerj@usd350.com</a>. I am proud to be a Tiger and proud to serve USD 350 with *Purpose*, *Passion*, and *Pride*.

Josh Meyer – USD 350 Superintendent

# **Booster Club Needs Help**

Currently there are only TWO board members, and one would like to get off due to work requirements. They really need at least five, but six or seven is even better.

The board does all the planning/prep/setup for the BBQ, soup supper, HS sports banquet as well as selling Tiger apparel. Since there are only two on the board currently, they are behind on sports program ads, booster memberships, and spirit ap-

parel and the tailgate BBQ is around the corner. THEY NEED HELP and people who are here around SJ/Hudson. If you are willing to help run this organization that offers Tiger spirit apparel and does fundraising to raise money to help feed our athletes, or provide equipment, etc., please contact Amy McVey or Rachel Burns.

Parents of younger (JH and early HS) students: your help is needed to lead this organization.

# ST. JOHN BOOSTER CLUB 2016-2017

The St. John Booster Club is starting its annual membership drive and we invite you to join us. Booster Club contributes to all high school athletic programs through member donations and by sponsoring several fundraising events throughout the school year including the hamburger feed during football and the soup supper during basketball. We also sell Tiger merchandise at home games. While the board members of Booster Club do most of the planning, it is also very important to have members help with some of these activities. Please consider helping!

If you would like to be a Booster Club member, please complete the following membership form and return with payment by AGUST 10th to:

Extended to Sept. 12th!!

St. John Booster Club, P. O. Box 32, St. John, KS 67576
