\_\_\_\_\_

List your activities (high school and community):

\_\_\_\_\_

What school do you plan to attend?

\_\_\_\_\_ Number of years: \_\_\_\_\_

What extra-curricular activities are you interested in while there?

\_\_\_\_\_

As you prepare to graduate and attend college, please (brief essay) reflect on the values and experiences that have shaped your character and prepared you to make a contribution to society. In what ways do you believe being a member of the St. John community and attending St. John High School has prepared you for success? Consider the following elements in your essay: Your preparation for the academic rigor of college, your understanding of and appreciation for diversity in our multi-cultural society and your academic and career aspirations.
